Demetrios,

I meant to cc you on my meeting request below. Hope all is well.

**Subject:** Meeting on TPP Tobacco Proposal

Blake,

I spoke with Ambassador Kirk on Friday in Dallas about business concerns with the TPP tobacco proposal and scheduling a meeting between him and the broader business community when we are back in D.C. He asked me to work with Demetrios to set up a meeting -- which leads me to ping you.

How should we proceed?

Thanks.
